

JULY – AUGUST 2007

BENEFIT AUCTION

On Sunday July 8th at the Bathing Establishment “Figli del Sole” (Sun’s sons) of Cervia, during the final game of the 10th edition of Footvolley, it took place a benefit auction on favour of our Association.

Promoter of the initiative was the footballer Elvis Abbruscato, original of our town, who, very involved in the grave children diseases followed by our Association, wanted to give a concrete support to the Association just by organizing that important event both with the target of raising funds and to divulgate the work carried on by the Association.

The sale by auction regarded football jerseys of many wellknown footballer as Kakà, Inzaghi, Abbruscato, Doni, Gattuso and the autographed World Championship jersey of Luca Toni which has been bought by Cristiano Doni at the generous offer of Euro 400,00. The total amount collected by the auction has been entirely destined to Ring14 Association. A great and special thank to our friend Elvis Abbruscato as well as to his kind wife Silvia for their sensitive availability towards our special children, to Giorgio Veronese, referent person of so many important names of our national football as the world champion Luca Toni, Elvis, Abbruscato, Nicola Santoni. Cristiano Doni, Maurizio Neri, to the Bathing Establishment 174 “Figli del Sole” of Cervia, to Cristiano Doni and the Sport Company and footballers who offered the jerseys sold by auction.
