EVENTS

MEETING OF ASSOCIATED

On April 14th 2007 at 9.00 a.m. at the meeting room of the Centro Servizi Dar Voce – Via Gorizia, 49 – Reggio Emilia, it will take place the annual meeting for presenting and approving the balance of the financing year 2006. Further to the presence of the Board of Directors we hope in a massive participation of the associated and families since the life and growth of the Association depends on the participation of everybody.

PROJECTS

For the prosecution of our projects we need, further to the engagement of the searchers, the presence of families available to collaborate. For that reason we ask all the families for the despatch of the more possible documentation in order to get more and more acquainted with the syndromes correlated to chromosome 14 suffered by our children.

AAA WE ARE LOOKING FOR VOLUNTEERS

The Association is growing up both as regards contacts with the families and projects; that's why we are looking for persons able to help us in translations in English, French, German and Spanish. It is not necessary a specific medical knowledge but it is sufficient to reserve some time for a translation work to be made at home. For any information on this regard please contact Paola Martinelli – phone 348-9500941 or send a mail to info@ring14.com
