FAMILIES

We are now 146 families worldwide.

During 2006 we raised a lot since we got in touch with 24 new families:

4 from Italy, 4 from U.S.A., 2 from Spain, 2 from England, 8 from France, 1 from Australia, 1 from Mexico and 1 from Germany.

A special welcome to the three new families who contacted us just in the first month of 2007:

HADLEY KARA & KEFF

(Pennsylvania-USA) and their little son Luke (Ring14) - 6 months

HIWAIZI SAVANA

(London-UK) with their little daughter JIANA (Ring14) - 6 months

MAIOLO ANNA MARIA and NAZZARENO

(Novara, Italy) with Debora, 18 years old (Ring14).

EVENTS

1ST INTERNATIONAL CONGRESS

Videoregistration

The assembly and duplication of the videoregistration in Italian language are completed and we are going to despatch it to all the people attending the congress.

The realization of the English and French version is taking a longer time but don't worry , within February both versions should be ready and we shall despatch them to all families who attended the congress.

Who did not attend the congress but wishes to have a copy can send request by mail to the following addresses : azzali.stefania@asmn.re.it or martinelli.paola@ring14.com.

The 1st Congress and the Europe

EUROCHROMNET (European Network for rare genetic diseases) has published an article from us concerning the congress.

PROJECTS

2007 will be the year of reinforcement of all projects of the association under execution: the collection of blood samples for the genetic study, the welcome and assistance to the families in Reggio Emilia and Bologna for the development of the clinical protocol and for their psychological support, the elaboration of the data in the database of the association for scientific studies. On this regard the group of searchers is elaborating a specif questionnaire concerning EPILEPSY in order to collect more complete and specific data to enrich the database.

We shall support the families who will face the adventure of opening seats of our association both abroad and in Italy and we shall start the organization of next International Congress in 2008.

On place (Reggio Emilia) we are going to collaborate with Santa Maria Nuova Hospital for opening a Regional Center for Rare Neurometabolic Diseases thanks to the economic support of various supporters, among them : Manodori Foundation and Landi Renzo Company.
